Monthly Unemployment Top Ten Industries

* The relatively small number of employees in these sectors explains the large percentage change despite the relatively small change in number.

Source: CT Dept. of Labor Continued Claims by Industry Data

Labor Force Participation: National Insights

- The labor force participation rate increased slightly in July to 61.7%. The rate fell among Black or African Americans (-.08%) and increased among Hispanic or Latino Americans, (+.02%) while rising among White Americans (.03%).
- The labor force participation rate remained unchanged among both women and men in July.

Broad Economic Impacts

Impacts on Consumer Confidence

An indicator above 100 signals a boost in the consumers' confidence towards the future economic situation, because of which they are less prone to save, and more inclined to spend money on major purchases in the next 12 months. **Values below 100 indicate a pessimistic attitude towards future developments in the economy**, possibly resulting in a tendency to save more and consume less.

Housing Permit Activity

CT Housing Permits by Town
Top Ten Towns 2019 + 2020

- New Haven led the state with 786 housing permits in 2020.
- New Haven has had 1485 housing permits issued since 2019, the most in the state. Stamford (1399) and Shelton (421) were the two next towns with the most permits.

Housing Permit Activity

In the past three years (2018-2020) New Haven has granted **1,878** Housing permits. In the seven years prior to 2018 (2011-2018) New Haven granted **1,290** permits.

Three of the top five years for housing permit activity since 1990 have occurred in the past three years. The top six have occurred this decade.

Annual Housing Permits	
2020	786
2019	699
2010	478
2014	412
2018	393
2015	262
